Ms. Risa Nakae, Accounting and Finance Department

※The following is the content of the main questions and answers at the financial results briefing.

Some parts have been added and corrected for making them more understandable.

• Status of Currency Options for Commerce Business

Q. The exchange rate has been swinging wildly, but I would like to know the status of currency options.

A. The company refrains from giving detailed answers and currently has three currency options under contract.

• Status of Price Revision (Price Increase) Initiatives in Platform and Commerce Businesses

Q. In light of the recent inflationary environment, we believe that some companies are implementing price revisions (price increases) in their stock businesses.

A. We are considering raising prices by adding value and increasing product competitiveness, rather than simply revising prices (raising prices) to pass on costs and expenses.
